Little Feet, Big Adventures: New Beginnings for UKG, LKG & Pre-KG

The start of a new academic year is a moment filled with excitement, hope, and fresh beginnings. This year, we are overjoyed to welcome our youngest stars – our Pre-KG, LKG, and UKG children – into a world of learning, laughter, and discovery.

The first few days of school mark the beginning of a beautiful journey. Our little ones walked in with curious eyes and bright smiles, ready to explore their new environment. With the loving guidance of their teachers, they are slowly settling into routines, making new friends, and building confidence one small step at a time.

Day 2

Summer Splash Party

From learning to hold a crayon to singing their first rhyme, every little achievement is a milestone worth celebrating. Their enthusiasm and eagerness to learn remind us why we love what we do. Behind every giggle and every "good morning" is a child taking their first step toward a brighter future.

"The journey of a thousand miles begins with a single step."

Learning Through Play

Our Pre-KG, LKG, and UKG children learn best when they are happy and engaged. Through hands-on activities and group play, they develop important skills while having fun. Every moment is a chance to explore, imagine, and grow. We celebrate each small step with love and encouragement.

Parent Orientation

We were delighted to welcome our parents for a warm and meaningful Orientation session. The event began with the introduction of our dedicated teachers and staff, who are committed to nurturing and guiding every child with love and care. It was a wonderful opportunity for parents to meet the team behind their child's learning journey.

A proud moment of the session was the cash prize distribution for our brilliant Class 10 toppers. Their hard work, perseverance, and outstanding performance were truly inspiring. We celebrated their success with great joy and pride, encouraging them to reach even greater heights.

The session also provided an open platform for parents to share their questions and concerns. We listened attentively and addressed each one with transparency and reassurance. We believe that a strong school-parent partnership is the key to a child's success, and we are grateful for your trust and support.

"Behind every young child who believes in themselves is a parent who believed first."

World Environment Day & International Yoga Day

This June, we unite Yoga Day and Environment Day with one belief—a healthy planet is the foundation of a healthy mind. The air we breathe and the ground we stand on are gifts we must protect. Let our practice go beyond the mat, pledging to reduce waste and nurture nature. True wellness begins when we heal both ourselves and the Earth.
