Divine Joy & Devotion: Krishna Janmashtami Celebration

SVR Chinmaya School (CBSE) celebrated Krishna Janmashtami with great joy, devotion, and enthusiasm. The celebration beautifully reflected the spirit of Lord Krishna's birth through vibrant activities, devotional songs, dances, and engaging cultural performances by our students.

The festive atmosphere was filled with smiles and devotion as students came together to celebrate the timeless values of love, kindness, courage, and righteousness. The celebration was a wonderful blend of tradition, culture, and joyful learning, creating cherished memories for everyone at SVR Chinmaya School (CBSE).

The spirit of Krishna Janmashtami came alive at SVR Chinmaya School (CBSE) as our adorable Pre-KG, LKG, UKG, and Grade 1 students dressed up as little Krishna and Radha. Their colourful traditional attire, charming smiles, and joyful presence filled the school with a beautiful festive spirit.

The young learners participated enthusiastically in the Janmashtami celebrations, bringing the innocence and joy of childhood to the festivities. Their delightful Krishna and Radha looks, along with the vibrant celebrations at school, made the occasion truly memorable. It was a heartwarming celebration that beautifully brought together tradition, culture, devotion, and childhood joy.

“Let the innocence of childhood and the blessings of Krishna fill every heart with joy.”

Little Krishna & Radha: A Celebration of Innocence and Joy

The celebration also gave our little learners an opportunity to connect with Indian culture and traditions in a fun and meaningful way. It was a beautiful day filled with innocence, devotion, happiness, and togetherness, leaving everyone with precious memories to cherish.

LITTLE CHAMPIONS CARNIVAL - TOGETHER WE CAN

The Little Champions Carnival – Together We Can was a vibrant and joyful celebration filled with laughter, excitement, and wonderful memories. Our little champions came together with great enthusiasm to enjoy a day filled with fun activities, cheerful moments, and opportunities to explore their creativity and confidence.

The carnival provided a beautiful platform for children to participate, interact, and enjoy learning beyond the classroom. Through engaging activities and playful experiences, our young learners discovered the joy of teamwork, friendship, sharing, and supporting one another. Every activity brought smiles to their faces and encouraged them to participate with confidence.

*“Together we play,
together we learn, and
together we create
memories that last a
lifetime.”*

The event beautifully reflected the spirit of “Together We Can”, reminding our children that cooperation and togetherness make every experience more meaningful. From enthusiastic participation to joyful interactions, each moment showcased their innocence, energy, and growing confidence.

It was truly a memorable day for our little champions, filled with happiness, togetherness, and countless smiles. The carnival celebrated not just fun and games, but also the wonderful journey of growing, learning, and creating beautiful memories together.

Club Activities

At SVR Chinmaya School, learning extends beyond the classroom through engaging and thoughtfully designed club activities. Our students had the opportunity to participate in a series of exciting experiences including Sensory Safari, Wonder Lab, Radio Jockey Station, Advertisement Production House, and Nature Discovery Trails. Each activity encouraged children to explore new ideas, express themselves, and learn through hands-on experiences.

The Sensory Safari offered an exciting opportunity for students to explore the world through their senses, while the Wonder Lab sparked curiosity through interactive and experiential learning. These activities encouraged young learners to observe, question, experiment, and discover how fascinating the world around them can be.

The Radio Jockey Station and Advertisement Production House brought out students' creativity, communication skills, confidence, and teamwork. From expressing ideas through the microphone to creating imaginative advertisements, students experienced the excitement of media and communication while developing valuable real-world skills.

The Nature Discovery Trails connected students with the beauty of the natural world, encouraging them to observe, explore, and appreciate their surroundings. Together, these club activities created a joyful learning environment where curiosity met creativity, and exploration became an exciting part of every child's learning journey.
